SECTION 13-ACCELERATED LIFE BENEFIT

This Section applies to Basic Life Insurance.

DEFINITION

TERMINAL CONDITION means an injury or sickness that, despite appropriate medical care, is reasonably expected to result in Your death within 12 months from the date of payment of the Accelerated Life Benefit, as determined by AUL. AUL may require that You be examined at AUL's expense by AUL's choice of physician.

BENEFIT

If You are Totally Disabled as defined in the Waiver of Premium for Total Disability provision and are diagnosed with a Terminal Condition while covered under this provision, You may request payment of the Accelerated Life Benefit. The available amount of Accelerated Life Benefit is shown in the Schedule of Benefits. Benefits will be paid in one lump sum to You.

CONDITIONS

To be eligible to request payment of the Accelerated Life Benefit:

- 1) You must have Personal Insurance;
- 2) You must be determined by AUL to be Totally Disabled under the Waiver of Premium for Total Disability provision;
- 3) You must be diagnosed with a Terminal Condition while covered under this provision;
- 4) AUL will require, in a community property state, Your spouse's written consent before the Accelerated Life Benefit is paid; and
- 5) You can receive an Accelerated Life Benefit only once.

PROOF REQUIRED FOR THE ACCELERATED BENEFIT

Proof is a completed claim form and any other information AUL requires in order to determine liability. AUL may require that You be examined at AUL's expense by AUL's choice of physician.

SECTION 13-ACCELERATED LIFE BENEFIT

EFFECT OF PAYMENT OF ACCELERATED LIFE BENEFIT

After payment of an Accelerated Life Benefit, Your Life Insurance payable at death to Your Beneficiary equals:

- 1) the amount of Your Life Insurance as if an Accelerated Life Benefit payment had not been made, minus
- 2) the Accelerated Life Benefit payment, minus
- 3) the interest charge.

The interest charge equals the Accelerated Life Benefit amount, times the number of days from the date of payment to Your date of death divided by 365, times the interest rate. The interest rate will be based on the current 90 day treasury bill rate at the time of payment of the Accelerated Life Benefit.

NOTE: Your Accidental Death and Dismemberment Insurance, if any, terminated upon approval of the Waiver of Premium for Total Disability Benefit according to Section 8.

The following information is used for illustrative purposes only:

Example: Life insurance in force = \$100,000*
Date of receipt of proof of terminal condition = 10/31/94
Date of payment of Accelerated Life Benefit = 11/1/94
Date of death = 2/15/95
Interest rate** = 3.5%

1. Amount of Accelerated Life Benefit = $.50 \times \$100,000 = \$50,000$
2. Interest Charge = $\$50,000 \times (106 \text{ days} / 365 \text{ days}) \times .035 = \508.22
3. Death Benefit Payable = $\$100,000 - \$50,000 - \$508.22 = \$49,491.78$

*Your Life Insurance amount is shown on the Schedule of Benefits in Your certificate.

**The interest rate is equal to the 90 day treasury bill rate on the date of the Accelerated Life Benefit payment.

LIMITATIONS

An Accelerated Life Benefit will not be paid if:

- 1) You have named an irrevocable Beneficiary or made an assignment of Your Life Insurance benefits;
- 2) all or a portion of Your Life Insurance benefits are to be paid to a former spouse or trustee as part of a divorce decree or property settlement, or child support order;
- 3) Your Life Insurance terminates; or
- 4) the policy terminates.

NOTE: The payment of the Accelerated Life Benefit may be taxable. Please seek assistance from a personal tax advisor.

SECTION 15-PAYMENT OF DEATH BENEFITS

If You die while insured under the policy, AUL will pay the benefits due to the Beneficiary:

- 1) upon timely receipt of acceptable proof of death; and
- 2) subject to all other provisions of the policy and to Your instructions.

The following Sections describe the manner in which death benefits are paid.

SECTION 16-NAMING OF BENEFICIARY

BENEFICIARY means the individual, individuals or entity named by You to receive Your death benefit.

AUL will pay the death benefit according to Your designation of Beneficiary.

When You apply for coverage You may designate on an AUL-approved form:

- 1) one or more Beneficiaries;
- 2) indicate the order of payment to the Beneficiaries; and
- 3) indicate distribution of the proceeds among Beneficiaries.

If more than one Beneficiary is listed and no order of payment is given, then all Beneficiaries will share equally. If more than one Beneficiary is listed within the same order of payment and no distribution share is indicated, then all Beneficiaries will share equally.

If the policy replaces insurance coverage of another carrier, AUL may, upon request of the Group Policyholder, recognize Beneficiary designations in effect under the prior coverage as effective until a new designation is made with AUL.

CHANGING A BENEFICIARY

You may change a Beneficiary at any time by written request. The request must be signed, dated and filed through the Group Policyholder.

AUL will make the change effective as of the date the form was signed even if You are not alive when AUL receives it. However, AUL is not liable if benefits are paid to the previous Beneficiary before AUL receives the form. If You apply for an individual policy under the Conversion Section and name a new Beneficiary, AUL will treat the application as a Beneficiary change when determining payment.

AUL reserves the right to require that any Beneficiary designation be acceptable to it.

SECTION 17-THE DEATH CLAIM

If You die while insured under the policy, proof of death should be furnished as soon as possible. The claim must be submitted within three (3) years of the date of death. However, if a claim is filed under the Waiver of Premium Section, proof must be furnished within 12 months of death. The claim may still be considered if it can be shown that timely submission of the claim was not possible.

Proof of death must include:

- 1) a certified death certificate; and
- 2) a completed claim form.

AUL, at its option, may also require:

- 1) return of Your insurance certificate; or
- 2) submission of pertinent medical records, including an autopsy report; or
- 3) police reports.

If the cause of death cannot be clearly established by other means, AUL reserves the right to have an autopsy performed. The autopsy will be performed:

- 1) at AUL's expense; and
- 2) by a physician of AUL's choice.

If the policy is no longer in force, proof furnished more than two (2) years from the date of loss must also include:

- 1) proof of employment at death; and
- 2) proof of coverage under the policy at death.

SECTION 18-DETERMINATION OF BENEFICIARY

Once acceptable proof of death is received, AUL will determine the Beneficiaries or payees in the following order:

- 1) Beneficiaries who outlive You. If more than one Beneficiary is designated and no order of preference is given, then all Beneficiaries will share equally. If more than one Beneficiary is listed within the same order of payment and no distributive share is indicated, then all Beneficiaries will share equally;
- 2) If no named Beneficiaries outlive You or none were named, then, at AUL's option, a surviving relative if Your estate is not substantial and there are no statutory requirements to the contrary. Relatives will be considered in descending order of preference as follows:
 - a) spouse;
 - b) child(ren);
 - c) parent(s); or
 - d) brother(s) and sister(s); or
- 3) Your estate.

AUL may, at its option, pay the proceeds in an amount up to Five Hundred Dollars (\$500) to any individual appearing to AUL to be equitably entitled to payment by reason of having incurred funeral or other expenses incident to Your last illness or death.

In the event that You and Your Dependents should die simultaneously or if there is no clear evidence as to which parties died first, it shall be presumed that Your Dependents shall have predeceased You.

If any Beneficiary dies within fifteen (15) days after Your date of death, the amount that would have been paid to the Beneficiary will be treated as though that Beneficiary had died before You. This does not apply to any payment that is made to such Beneficiary during the fifteen (15) days following Your death. Any payment made in good faith shall fully discharge AUL to the extent of such payment.

SECTION 19-SELECTION OF PAYMENT METHOD

The proceeds will be paid in a lump sum unless another payment method is selected or changed by giving written notice to AUL prior to Your death. If no payment method is in effect at death, the payee may select a payment method. For information concerning payment method options, You or the payee should contact AUL.

The amounts payable under a method, including any excess interest, will be as declared by AUL. The minimum interest rate used in computing payments under all methods will be 3% per year. Other than lump sum payment, AUL reserves the right to specify the minimum periodic payment when a method is to become effective.

SECTION 21-GENERAL POLICY PROVISIONS

AMENDMENT and CHANGES: The policy may be amended by mutual agreement between the Group Policyholder and AUL but without prejudice to any valid claim incurred prior to the effective date of the amendment. No change in the policy is valid until approved by the Chief Executive Officer, President or Secretary of AUL. No agent has the authority to change the policy or waive any of its provisions.

APPLICATION: A copy of the application of the Group Policyholder will be attached to the policy when issued. All statements made by the Group Policyholder or by You or Your Dependents are deemed representations and not warranties. No statement made by You or Your Dependent may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to You or Your Dependent or, in the event of Your or Your Dependent's death or incapacity, to Your or Your Dependent's Beneficiary or personal representative.

ASSIGNMENT: You may make an absolute assignment of all benefits and rights of Your Life Insurance. Your certificate of Life Insurance is assignable to the extent permitted by law except that no collateral assignment is permitted. No assignment is binding unless filed with AUL in a form acceptable to it. AUL assumes no responsibility for the validity or effect of any assignment.

CERTIFICATES: If there is any discrepancy between the provisions of any certificate and the provisions of the policy, the provisions of the policy will govern.

CLAIMS OF CREDITORS: The benefits paid under the policy will be exempt from the claims of creditors to the maximum extent permitted by law.

CONFORMITY WITH STATE LAWS: Any provision of the policy in conflict with the laws of the state in which it is delivered is amended to conform to the minimum requirements of those laws.

ENTIRE CONTRACT: The policy, the enrollment forms of the individuals, the application of the Group Policyholder, and any amendments made from time to time constitute the entire contract.

GENDER PRONOUNS: Whenever the male pronoun is used, it shall also mean the female.

INCONTESTABILITY: The validity of the policy shall not be contested after two (2) years from the effective date of the policy except for non-payment of premiums. No statement made by You or Your Dependent on Your signed enrollment form will be used to contest a claim or the validity of insurance after Your or Your Dependent's coverage has been in force for two (2) years prior to Your or Your Dependent's death.

LEGAL ACTION: No legal action may be brought to obtain benefits under the policy:

- 1) for at least 60 days after proof of loss has been furnished; or
- 2) after three (3) years from the time written proof of loss is required to have been furnished to AUL.

MISSTATEMENT OF AGE: If Your or Your Dependent's age has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts. Any adjustment of benefits due to the correction of age will also be made.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE
OKLAHOMA LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of Oklahoma who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Oklahoma Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not substitute for consumers' care in selecting companies that are well managed and financially stable.

The Oklahoma Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Oklahoma. You should not rely on coverage by the Oklahoma Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Oklahoma Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights of obligations under the act or the rights of obligations of the guaranty association.

(Continued)

COVERAGE

Generally, individuals will be protected by the Life and Health Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this Association if:

- 1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- 2) the insurer was not authorized to do business in this state;
- 3) their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or by an insurance exchange.

The Association also does **not** provide coverage for:

- 1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- 2) any policy of reinsurance (unless an assumption certificate was issued);
- 3) interest rate yields that exceed an average rate;
- 4) dividends;
- 5) credits given in connection with the administration of a policy by a group contractholder;
- 6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- 7) unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$300,000 in health insurance benefits, \$300,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.
